Hello All,

May I have you all send me your list of priorities for **May 11th to June 5th**. For those of you with ABH's please be sure to give me days and hot spots for each day in the ABH zone and let me know if you want to split the week between the ABH Zone on certain days and the rest of the district on other days?

If you have large encampments please note they will be scheduled as the only location that day. I am trying to cut down on uncompleted locations. Thanks

Much Appreciated,

Renée
